Artwork Formats

Artwork should be emailed direct to the printers as either high resolution PDF, TIFF, JPG or it can be supplied as a Word file with attached digital pictures. Copy and photos can also be posted direct to the printers. Please include a rough layout of what you require and a self addressed envelope so that we can return the pictures to you, include your email address if you require a proof. The printers may decide to make a small charge for the artwork depending on what is involved - please ask for a quote beforehand. You will not be charged for artwork again if the advert is then repeated in further publications.
